From the President

Christmas is a season for giving and it is said that it is more blessed to give than to receive. We hope that in this Christmas season, the spirit of giving will inspire our past, current and potential donors to remember us. In reality, the foundation only serves as a conduit for gift-giving. So the more we receive, the more people we can make happy during this season.

Dr. Greg Alvior, Jr. May I take this opportunity to thank PGHMFI members, the board of

trustees, the officers and our donors who are always responsible for our success in making PGH a happier and more comfortable place for patients to heal.

Merry Phristmas and a prosperous new year to all.

Gregorio T. Alvior, Jr., MD President PGHMFI

New PGH Arterial Blood Gas Unit

The newly relocated ABG (Arterial Blood Gas) Unit was inaugurated last December 07, 2012 with no less than the project donors Mr. Winston Uy and Atty. Arnie Cariño and attended by PGHMFI President, Dr. Greg T. Alvior with execom officers, Mme Lolita Mirpuri, Dr. Porong Gana and Ms Agnes Essem Perez.. Also present were PGH Director, Dr. Jose Gonzales and several doctors from the Pulmonary Section Dept. of Medicine.

The new ABG Unit is now located at the 2nd floor of the Philippine General Hospital just outside the Central ICU. This makes it readily accessible to the hospital's 10 intensive care units as well as the outpatients who likewise avail of its services. The goal of the renovation is to give ABG Unit a permanent location and likewise help PGH generate more income. In recent years, patient census of the said unit has been growing rapidly, outstripping its current capacity to serve more patients. With this relocation and renovation, the unit is expected to serve more patients and increase their census even more.

The blessing of the facility was officiated by Rev. Fr. Vidal Gornez S.J. In her welcome remarks, Pulmonary Section Head Dr. Bella Siasoco expressed her sincerest gratitude to PGH Medical Foundation and its donors for providing ABG Unit a new home. Dr. Jose Gonzales likewise expressed his great appreciation to PGHMFI as well as its donors for never failing to help PGH in its development efforts. The special affair was capped by a hearty lunch provided by ABG Laboratory.

PGHMFI's Annual golf tournament held last November 12, 2012 was a big success! Despite the bad weather, over 70 golfers made their way to the Ayala Greenfield Golf and Leisure Club in Laguna for the 9th Annual Director's Cup tournament.

The money raised from the tournament will help support PGHMFI's various programs in the hospital, particularly, the PGH Charity Patients Fund.

A sumptuous lunch followed the golf tournament. This provided an opportunity for golfers to mingle and socialize with the PGHMFI officers as well as with other guests after the tournament. A short program and awarding ceremony followed hosted by tournament Director, Dr. Porong Gana and actress Ms. Say Alonzo-Tordesillas.

Dr. Bibly Macaya—President, Manila Adventist Medical Center won the title of over-all champion, while Dr. Glenn Genuino won the raffle grand prize.
